

AIRCRAFT LISTING DETAILS: Serial Number 6205

Total Hours: 85.9

Total Landings: 52

Engines: Rolls Royce BR725A1-12

#1 Serial Number: 25521 Hours: 85.9 Engine Cycles: 52

#2 Serial Number: 25522 Hours: 85.9 Engine Cycles: 52

APU: Honeywell RE220

Serial Number: P-218

Hours: 78

Aircraft Features:

- U.S. Based & Registered Since New
- Enhanced Nav & Synthetic Vision
- FANS 1/A CPDLC/ADS-B Out v2/RNP
- Autobrake Installed - ASC 055
- Runway Awareness Advisory System (RAAS)
- Integrated PlaneView II / Honeywell Primus Epic Avionics Suite
- Four Honeywell 14" Adaptive LCD EFIS Displays
- 3-Axis Quadruple Redundant Fly-By-Wire Auto Flight Control w/Automatic Emergency Descent
- Gulfstream Enhanced Vision System EVS II
- Single LCD HUD II (Head Up Display)
- Single Honeywell SmartView SV-PFD Synthetic Vision System (SVS)
- Triple Honeywell VHF Comms w/8.33 kHz VDL Mode A /Mode 2
- Triple Honeywell Navs
- Dual Honeywell Mode S Transponders
- Triple Honeywell NEXTGEN FMS w/Dual Channel GPS
- Triple Honeywell LASEREF VI IRS
- Triple Honeywell Multifunction Display Units
- Triple Honeywell Micro Air Data Computers
- Triple Digital Audio Control Panels
- Aircell Axxess II Iridium Satellite Telephone System
- Honeywell MCS-7120 INMARSAT Satellite Communication System
- Single ASC 004 Air-to-Ground Link
